POLICY DOCUMENT FOR AWARD OF SCHOLARSHIP AND FREESHIP

Date: 16/2/2014

Scholarships and freeships are awarded to students not only by our educational institution but also by NGOs and private entities as recommended by the College. The policy for awarding scholarships and freeships is as follows:

1. The College has constituted a Scholarship and Freeship Committee that recommends students who deserve scholarship and freeship during the Academic Year. The Committee makes a budget provision for the same every year. The Committee maintains all the records relating to the same.
2. There are several means of awarding scholarship and freeship to students.
3. **Concession from the Management:** The students who cannot afford to pay their fees and are in dire need in concession of fees apply for the concession in fees. The applicant requests the concession in tuition fees alongwith the reason for concession. The application is forwarded to the Management of the College and the concession is granted to the applicant.
The Management awards freeship to children/ relative of their staff members, who are admitted in our College. The ward receives concession in tuition fees as sanctioned by the Management.
4. **Scholarship for Meritorious Students:** The College believes in rewarding the students who are First Rank Holders in their class. The First Rank Holders in each class are given 50 percent concession in tuition fees. Every year, the Examination Committee forwards the list of First Rank Holders to the Scholarship and Freeship Committee. The Examination Committee identifies the First Rank Holders from First Year and Second Year across all programs of B.Com., B. S c , B . E d , M . B . A .

A letter of appreciation is presented to the students deserving the scholarship. The top three rankers in Third Year and the course toppers during each semester are awarded scholarship by the College.

5. **SPACE: SPECIAL PROGRAM FOR ADOPTION OF CHILDREN'S EDUCATION (SPACE)** is a student welfare program initiated by the SEA Educational Trust. It is a voluntary program to help the economically weaker students at the campus. Under this welfare program, the Trust receives funds from Members of the Board, staff and other philanthropists to meet the financial educational needs of our students. The Scholarship and Freeship Committee recommends the deserving students given this scholarship.
6. **Educational Scholarship from Private Individuals:** Certain philanthropists including members of the Organizing Board, in their individual capacities, have assisted students who are financially poor but are strong academically and/ or talented in extra-curricular activities. With the objective of overall development of the student, the members of Scholarship and Freeship Committee recommend these students to the Principal. The Principal approves this educational scholarship. The College provides letter of appreciation to these private individuals for supporting our students' education.
